Objective

The objective of the policy is to lay down guidelines in providing the shared transport services to employees working in UK/US Shift at various/different locations in Innova Solutions for commuting to and from office. The policy shall cover door-to-door pickup & drop to all employees/users. Exceptions: Providing transport service to CFH Team & Atlas (Female employee) in General shift (12:00 PM to 09:00 PM).

Scope

Below table provides details wherein transport services are provided to employees

Office Location	Department wise Eligibility for Company Cabs
All Innova Solutions locations	Company Employees schedule in UK/US shift & assigned for location are eligible for Pickup & Drop irrespective to department. Service Partner & Vendor's are not covered in eligibility criteria.

Exception: Providing transport to service provider/clients would require HOD approval of requesting party and WPS HOD as well.

Guidelines to Employees Transportation

- Employees will be entitled for Pick & Drop, five days (Monday – Friday) a week to commute to the office and back home. Any exception for Pickup/Drop on Weekdays will required HOD approval.
- The transport facility shall be available only for predefined “Transport Boundary Limits” In case if any employee has to apply for the transport facility beyond the designated “Transport Boundary Limits” that shall have to be approved by HOD WPS in consent from Local HR.

Office Location	Transport Limit
Innova Solutions Noida Sec-126\127	40 KMS
Hyderabad (GAR, NSL, Raheja)	40 KMS
Bangalore	40 KMS

* Final decision to arrange the cab facility for any area would be decision of transport department considering all factors – employee count, security of employee, availability of cab etc.

- Scenarios where an Employee(s) is staying with-in the transport limits and there is a narrow lane which restricts the vehicle movement due to bad roads, congested pathway etc., the WPS team shall decide their pick-up and drop off point to the possible nearest distance. Employees to take ownership of their safety from the drop- off/or pick up point till their residence. Team will intimate those employees in advance about their nearest nodal point
- The employees shall be eligible to take the pickup or drop from the point updated in the roster (onboarding/Deboarding the cab midway, shall not be allowed)

- a. Transport team reserves the right to decide to pick up & drop point contemplating the geographical & other factors.
5. **For Hyd and Bangalore:** Employees are required to scan the assigned QR code for their respective cab and update their details during pickup and drop-off.
6. **Roster Scheduling**
 - a. **Noida Employees:** Employees are required to fill transport request through EFMFM form not later than 24hrs advance for pickup and 12hr advance for drop. Employees who fail to request for transportation by mention time, shall not be eligible to avail the facility for next day pickup and drop, except with specific approvals only from the respective business Leaders/Head of Department (HOD)
 - b. **Hyderabad & Bangalore Employees:** Need to share their details in below format with transport team 48 hours in advance to make transport arrangement post approval from HOD.

Name	EMP ID	Gender	Mobile	Address	Location	Shift Time

7. All the employees shall have to reach at the pickup location 5 minutes prior to the predefined time decided by transport team while preparing the roster.
8. Any employee constantly delaying for pickup or No-show shall be reported to their respective Manager & HR team. The clock time shall be considered as per the office system timings.
9. Female employees should not board the cab (8:00 pm to 6:00 am), if no escort guard or male employee is present in the cab provided by company.
10. Employee under the influence of the alcohol/any drug shall not be eligible to board the transportation for event - Pickup / Drop
11. All Employees, irrespective of their Process / Functions, using "Transportation Facility" shall share the cab as applicable and have capacity as specified per RTO permit, of that city
12. Female employees who extend their shift beyond 8:00 PM must request the Cab facility at least 2 hours in advance, along with approval from their HOD and the reason for the extension.
13. If an employee's location is within a 2 km deviation from the second-to-last drop point, they will be treated as the last drop, optimizing routing and minimizing escort costs
14. The cab will wait at the pickup location for an individual employee for a maximum of 5 minutes. After that, the cab will depart from the site
15. **Self-Transportation:** Employee interested in self-transportation in UK/US shift, need to sign disclaimer.
16. **Address Updation:** Address or location change will be considered once in six months and need to inform WPS team a day in advance.
17. Pickup/Drop from different location will not be entertained/approved under any circumstance. Due to security reasons.

18. **The cancellation:** timings for Pickup and Drop in are as follows: Pickup should be canceled at least 5 hours before the login time, and Drop should be canceled at least 4 hours before the logout time.

Process

1. Eligible employee to share details adhering to pointer "3.f" of the policy.
2. Employee could be able to raise the request for entire week. However, Employee must communicate the change in advance with their respective transport team, if in case their schedule got changed.
3. Employees will be intimated by their respective location transport team for any change in shift timing or necessary information.
4. Employees need to be ready 5 min before their designated pickup time to avoid cab waiting at their scheduled/respective location.

Reimbursement in Event of Delay

1. Delay in pickup / Drop or if Pickup / Drop is missed due to lapse of service provider, employees can make their own alternate equivalent arrangements post confirmation from the WPS representative and reach to office. **(Noida Location)**
2. Employee shall be paid Taxi Fare as exception only if the following prerequisites are being followed: -
 - a. Employees to take prior approval from their respective location Transport team before hiring taxi.
 - b. Employee to submit original bill with transport service provider & will be reimbursed by the transport provider within 48hrs.
3. WPS team shall have to address/ revert the reimbursement claim within 3 working days, if in case claim is not reimbursed/dispensed by the service provider
4. No reimbursement shall be provided if the employee fails to board the vehicle by not being present at the pickup point at the scheduled / published pickup time.

Service Level Adherence (SLA) & Guidelines

1. All vehicles shall report on / before 15 minutes of the reporting time and depart 15 min post shift logout time.
2. All employees, Trainees, and authorized retainer / contract staff shall be authorized to board the cabs by identifying themselves with the company issued Photo identity cards, provided their names appear in the application.
3. Vehicles used for 'Transportation Facility' shall be equipped either with the Global positioning system (GPS) / Wireless Network / Mobile Communication, as the case maybe.
4. Vehicles shall ply on defined route/ rosters as shall be released by the transport department.

5. Travel SLA of 2.5 hours (150 min) one side for employee commuting more than 40 km, if any.

Safety & Security

1. Always keep emergency number (i.e., Transport department / Police / Ambulance) on their speed dial.
2. Always carry company ID card, while travelling in company cab.
3. Employees are requested to check under and around the seat before they board the cab and report to the driver, if in case any unclaimed object lying inside the cab.
4. Ask the employee / co-passenger to show company ID card before boarding the card.
5. Do not indulge with the driver in any argument and personal talk
6. Female employees are advised not to sit on the front seat, instead request male employee / co-passenger to adjust.
7. Do not insist the driver to drive fast, while on board.
8. Instruct the driver, not to leave the cab unattended at any point of time.
9. Be patient and do not panic in case you hear any doubtful sounds inside the vehicle and request driver to check the same immediately.
10. If female employee residence is close to 2.5 km from male colleague's residence, then the male colleague shall get dropped after dropping female employee.
11. In case of any emergency, employee are requested to call on transport shift cell numbers of their respective locations.
12. Transport team schedule confirmation call to female employees post completing their drop. Employees are requested to share confirmation/Feedback.
13. The speed limit of the vehicle will adhere to the government regulations in each respective city.
14. We will make every effort to promptly replace the breakdown vehicle, taking into consideration factors such as locality, time, and traffic conditions.
15. In order to address security concerns, we have implemented a practice of rotating drivers and vehicles, ensuring that fixed cabs and drivers are not assigned to the same route on a daily basis.

Transport requirement on designated offs & Company Holiday

Unless otherwise communicated to the employees, all employees required to work on a designated off or on a company holiday, they shall be eligible for reimbursement for his / her transportation expenses through the claim reimbursement process. With a prior permission from the respective business leader
